

NMBU 4.6 APPLICATION FOR PERMISSION TO CORRECT FORMAL ERRORS IN AN APPROVED THESIS (*ERRATA*)

This form should be used by the PhD candidate if there are formal errors in the thesis that require correcting after the approval by the evaluation committee, and before sending to the printers. Deadline for submission of this form is 5 working days after receipt of information that the evaluation committee has approved the thesis. The Errata-list must be approved by the faculty prior to making the corrections in the thesis, and sending it to be printed. More information [on the web page for Finalisation](#), see headline: "Printing of the approved thesis and errata".

Send the form by e-mail to the faculty

(<https://www.nmbu.no/en/research/phd/phdcontacts>) copied to the main supervisor.

PhD candidate:	Raúl Jiménez- Guerrero
Faculty:	BIOVITENSKAP
Main supervisor:	Turid Mørkøre
I received information that my thesis is approved for public defence:	21.12.2023
Planned date for public defence:	19.01.2024

Errata.list:			
Page	Line	Change from	Change to
Entire document	Entire document	APA citation style. The citation format always shows all authors when they are 3	APA citation style. In the first citation, all authors are shown when they are 3. In second and further citations of the same literature, it is presented as "et al."
